Computer Packages

- SPSS
- Excel
- Word
- PPT
- Easyreg

language competencies

Arabic, and English.

Teaching experience

- 1979-1980 Undergraduate level, experimental design, principles of statistics, mathematics, Baghdad University, Iraq.
- 1987-1988 graduate level, survival of statistics, mathematics, dentist college, Baghdad University, Iraq.
- 1983-1988, Undergraduate level, probability, applied statistics, mathematics, economic statistics Management institute, Iraq.
- 1988-1993, Undergraduate level, mathematics, statistics Management institute, Iraq
- 1993-2001, Undergraduate level, Operation research, Management institute, Iraq.
- 2001, undergraduate level, mathematics and statistics, technical management institute, Iraq.
- 2006-2010, graduate level, multivariate analysis, econometrics, Sudan University for science and technology, multivariate analysis, time series analysis, Sudan.
- 2005-2010, undergraduate level, Greif Sharq technical college, mathematics, Sudan.

- 2011-2012, undergraduate level , Syrian international university, descriptive statistics, applied statistics, advance statistics, Syria.
- 2012- , undergraduate level, principles of statistics, Cihan university, Kurdistan region Iraq.
- 2012- , undergraduate level, Applied statistics, Cihan university, Kurdistan region Iraq
- 2012- , undergraduate level, Quantitative Methods, Cihan university, Kurdistan region Iraq
- 2014- , graduate level, reliability theory, University of Sulaymani, Kurdistan region, Iraq.

Thesis Supervision

- Supervising 22 PhD theses.
- Supervising 5 master dissertations.

Assosiations

- Iraqi statistical association.
- Iraqi teachers association.
- Universities teachers association.
- Arab statistical union.

Publications

- Statistics for management, text book.
- Developing Arab technical education. (a book for Arab working Association).
- Probability, text book.
- Specialized statistics for management, text book.
- Mathematics for technical.
- Statistics and probability.
- Principles of statistics, forthcoming.
- 35 published researches.

Scientific conferences

- Second scientific technical conference, Iraq.
- Third scientific technical conference, Iraq.
- Fourth scientific technical conference, Iraq.
- 11th scientific conference for statistics and national accounting, Ain shams university, 1985, Egypt.
- First Arab statistical researches, Amman, 2007, Jordan.
- Impact of Information and statistical systems conference, UAE, 2008.
- second Arab statistical researches, Amman, 2009, Libya.
- present and future of the Arab universities conference, 2009, Egypt.
- Development of human resources, Oman sultanate. 2010.
